金星堂 since 1918 KINSEIDO

Over a Century of Publishing Excellence for English Language Education

Founded in 1918 | Tokyo, Japan

Tradition Meets Tomorrow

IN FOCUS GENERAL ENGLISH & ACADEMIC ENGLISH

A vocabulary-driven, multi-skills critical thinking series

The *In Focus* series is designed to systematically build vocabulary, reading, critical thinking, and discussion skills, while also providing frequent practice in listening and writing. Each coursebook is supported by a comprehensive range of online resources to reinforce and expand students' learning while helping teachers save preparation time.

In Focus INTRO

In Focus 1

In Focus 2

In Focus Academic 1

Series Highlights

- Systematic development of vocabulary and reading skills
- Strong focus on critical thinking and discussion
- Regular listening and writing practice
- Online resources for students and teachers

- Descriptive writing and organization of ideas
- Paragraph writing and persuasive paragraphs
- Introduction to the five-paragraph essay

Author: Diane Hawley Nagatomo | 14 units | 128 pages

About KINSEIDO

Founded in 1918 by Masuo Fukuoka in Jimbocho, Tokyo, KINSEIDO began as a literary publisher and later developed into an educational and academic publisher. Since 1951, we have specialized in English Language Teaching (ELT), with a particular focus on university English education and practical classroom use. Today, KINSEIDO continues to develop high-quality ELT materials and digital support for teachers and learners around the world.
